## August Title: The Not So Quiet Library

### Message

Libraries and books are powerful things.

### Discussion Questions

Books are classified at the library in different ways. Do you know what the words fiction, non-fiction or genre mean?

What items do you like to check out at the library?

### Activity

Use scrap paper to make a book. It doesn't have to be anything fancy, just staple some sheets of paper together and get some crayons. Let your imagination run wild!
